**Special Condition # 16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On October 19, 2016, the undersigned officer received collateral information that the client may have relapsed. The client was contacted that date, and directed to report to U.S. Probation to further discuss his adjustment to supervision. Upon reporting to U.S. Probation, the client admitted to new illicit drug use. The undersigned officer commented that he had provided a urinalysis sample for testing at Alcohol Drug Education Prevention and Treatment (ADEPT) on Monday, October 17, 2016, that was documented as being negative for all drugs tested for. The client indicated that he had provided a substance other than his urine for testing at the time of the test, and that even though the test was monitored, utilizing another substance or somebody else's urine was easy to accomplish if you knew how to do it.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
